

Saddl'n up for Community Service

2008 Community Peer Education State Projects

The Community Peer Education Team chose to focus this year's state projects on local community needs. Three options are available to help meet the needs of individual communities.

General Guidelines:

1. Select and complete one or more of the options.
2. Distribute items to local agencies.
3. Complete report form.
4. Turn report form in during registration at the State Meeting.

Recognition:

- ✓ The chapter that collects the most items in each area will receive a plaque/trophy. (3 separate awards - one for each option)
- ✓ All chapters that participate will be recognized during the state meeting.

Option #1: Caps for Cancer

Goal: Provide caps for Chemotherapy patients.

- Make or purchase caps to be used by Chemotherapy patients.
- If your chapter asks for donated hats, be sure they are new!
- Donate caps to local individuals, clinics, hospitals, or bring caps to the state meeting and the team members will distribute them to the Sioux Falls hospitals.

Option #2: Toilet-Tree Bags

Goal: Provide bags containing a minimum of 5 toiletries victims of domestic violence.

- Check with local abuse shelters to determine needs. Some shelters only want regular size, rather than travel size items.
- Assemble bags containing a minimum of 5 items.
- Distribute bags to local agencies.

Option #3: Chuckwagon Drive

Goal: Collect and distribute nonperishable food items and/or paper products to local agencies.

- Check with local agencies to determine needs.
- Collect or purchase items.
- Distribute to local agencies.
